

Just for fun, I would like to share the goofy but hilarious conversation I had on Saturday with a fellow homeschooling mum via internet

Cynthia: "It's been lovely chatting, but I really better get moving. It's been such a busy week, and my house is a wreck. All I've done so far today is run some errands, and when I got back my house was still a mess - it didn't clean itself while I was gone."

Tracy: "Crazy houses - mine won't do it either, though I keep trying."

Cynthia: "Me too.....When will they invent self-cleaning houses instead of only self-cleaning ovens???.....Hmm, mind you, most ovens work by burning it off; that could be a little messy....."

Tracy: "Or, a whole house FLUSH!"

Cynthia: "Hmmm - that could be a little drippy, but at least it would be clean.....they'd need bigger sewers, though."

Tracy: "Burn, THEN flush."

Cynthia: "Oh, burn it to cinders, then flush it - that'll work! Better have automatic people-and-pet removers first though."

Tracy: "Leashes for everyone.....?"

Cynthia: "Ejector seats!"

Tracy: "There you go - then the kids will WANT to push the button!"

Cynthia: "Think about it though - wouldn't it motivate you to not leave stuff out, if everything not away in cupboards etc got burned then flushed on a regular basis?? The burning part would be good - it would stop you chasing stuff down the sewer to get it back."

Cynthia: "Flylady has Swish'n Swipe - we can have.....Zap and Swish? Zap and Float? Zap and Flood?? Come-on Tracy, think of a good title!"

Tracy: "Zap and Zip??"

Cynthia: "Hmmm - needs a more watery feel to it."

Tracy: "Scorch and Slip?"

Cynthia: "Flame and Flood?"

Tracy: "Fry and Goodbye!"

Cynthia: "Perfect! I love it! Sit down kids, and hang on to your seats - it's time to be ejected, then FRY and GOODBYE! Countdown begins in 5, 4, 3, 2, 1...."

Tracy: "Mommy, are you sure it's FRYday again??"

Cynthia: "Yes my child, and so you better have put your toys away, or you KNOW what's going to happen.....Fry and Goodbye!"

Cynthia: "We've solved the worlds greatest problem - how to get rid of household clutter forever! Think we can patent it???"

Tracy: "We've got the answers Flylady was too chicken to give ya....."

Cynthia: "Just call us FRYlady!"

Tracy: "I love it!"

Cynthia: "We're gonna be millionaires!"

You heard it here first folks! Now, back to our regularly scheduled programming.....

(And anyone with any other super ideas to end clutter and cleaning problems forever, send them to me, and I'll share them with the world!)

Love

Cynthia
