

Note: Blue lines are optional - I use them to guide writing of notations

**3600 B.C**

Note: Dates and timelines can be colored or black only, or a combination.

**200 A.D**

I use blue for Ancient History, red for the time of Christ & the Early Church, black for the Middle Ages, green for the Age of Discovery, and purple for Modern History

**600 A.D**

Timeline pages are printed in three layers, according to the options you choose. First, the pale blue lines, second the colored or black timelines, and third the dates, colored or black.
